

CORPORATE FAST: TOGETHER – MAKING MAXIMUM IMPACT AT OUR LEVEL BEST: 2 Chronicles 15:1-12

There is power in fasting and prayer – and corporate fast takes it to another level. Be led by the Holy Spirit and decide what type and how long you can fast. The power lies in agreement. You can engage in one of the FOUR TYPES of Fast. MAKE MAXIMUM IMPACT AT YOUR LEVEL BEST!

FASTING RIGHT

A. Some Basic Guidelines on Fasting:

1. Speak to the Lord about your fast prior to the day/period. Ask the Holy Spirit to strengthen you throughout the period.
2. Be of few words throughout the period; it's a period of consecration. Instead, pray more. [James 3:2]
3. Stay focused on God and have Scriptures to MEDITATE on during the period of fasting [Isaiah 26:3]
4. Spend time both reading and studying the Scriptures. You get insight and understand the Scriptures better during a fast.
5. Pray without ceasing (don't just go on hunger strike)
6. You can, and MUST drink water regularly especially on a long fast
7. Make sure your motive is right/pure [Isaiah 58:3-5]

B. Types of Fasting: The 4 major types include Partial, Liquid, Normal & Complete.

1. Partial Fast: This is the type that has traditionally been termed 'Daniel Fast.' As the term *partial* depicts, it is not abstaining completely from food.

2. Liquid Fast: This is similar to Daniel fast, but in this type, one depends solely on pure fruit juices – apple, pineapple, mango, orange, grape, etc. & pure vegetables juices. Both Partial and Liquid fasts are recommended for beginners or those who are physically unable to do the normal or complete fast.

3. Normal Fast: This is the type of fast where food is completely avoided. This is also called a 'typical fast' or 'water fast' as water becomes the only liquid that is taken in by the person fasting.

4. Complete/Absolute Fast: Involves a total abstinence from food and water. There are a few incidences where this type of fast is mentioned in the Bible. This is not recommended for anyone, except you have specifically heard from the Lord

C. Breaking Your Fast

Thank God for the strength He gave you through the power of the Holy Spirit

1. Start with water if you did a complete fast, then less acidic fruit juices or fruits or vegetables;
2. Take a little at time and allow time to elapse
3. Even though your body will be craving for food, don't rush in the process of eating.

D. Basic Steps to Effective prayer: A.C.T.S.

1. ADORATION: Praise & Worship – Expressing our love and esteeming God for who He is (He's loving, He's faithful, He's merciful etc.)

2. CONFESSION: Confess any sins that may be present in your life (Psalm 66:18). Ask the Lord to cleanse your heart and position you to hear His voice.

3. THANKSGIVING – Express appreciation/thank God for His provision and protection and for all He's done and going to do for you (Psalm 100).

4. SUPPLICATION: Petition/Intercession – Ask God to answer specific requests (for yourself/ friends and loved ones/ the church/ situations, etc.)

E. How to Develop A Vibrant Prayer Life

1. Schedule Time –Prayer is something that we must be intentional about. It will not happen automatically or by accident. Those who have developed strong prayer lives and a strong relationship with the Lord have been purposeful about it.
2. Pray the Scriptures (speak God's Word back to Him in prayer); Pray in the Spirit/Pray in tongues (1 Cor. 14:1-2, 14-15).
3. Make a conscious effort to memorize portions of Scripture that minister to you and meditate on them during fasting.
4. Make a Prayer List if needed to help guide you – but most importantly, let it come from your heart. Prayer is RELATIONSHIP!
